

It is only necessary when you desire to invoke them, to call them by the characters which they themselves have given. And when you wish to invoke them, call them to serve you in the manner taught in the third part.

Moving down to the deputies of the Chief Spirits; *Lucifer* has two demons under him. *Satanakia* who has these characters.

Satanakia

The second deputy of *Lucifer* is *Agalierap* who has these characters:

Agalierap
